## Venetian Reflections

It is the new Venice Carnival Ball conceived by Stefano Nicolao, in the magical atmosphere of Palazzo Pisani an authentic masterpiece of baroque and neoclassical style, a jewel dating back to the 18th century.

...an immersive experience in an artistic atmosphere where, after a welcome accueil, a placé dinner will follow, enlivened by artistic entertainment the After Dinner will close the evening with DJ Set

Nicolao Atelier of Stefano Nicolao, the only Atelier in Venice with more than 15,000 costumes, will also give you the opportunity to wear his historical dresses, made for film productions such as Elizabeth, Outlander, Twilight, Casanova and for theatrical and opera productions at the most prestigious theaters in Italy, Europe and overseas

An opportunity to live a unique experience and make indelible memories of a dream day.
